The Louisiana Section of ASCE **Utility Engineering & Surveying Institute – Louisiana Chapter** (“UESI-LA”) was established in early 2020. With the establishment of this ASCE Institute, Louisiana Section will have four (4) active ASCE Institute Chapters in the State, T&DI, COPRI, UESI, and SEI-New Orleans Chapter.

Due to the ongoing COVID-19 Pandemic, the Chapter has not been able to hold any in-person meetings and conduct seminars or other activities to benefit ASCE and UESI members. The Chapter will be hosting its first webinar virtually on December 17, 2020 at 11:00 a.m. – 12:00 noon CDT by ZOOM.

Seminar Topic: ***The Six Pillars of Utility Engineering*** (1 PDH)

Presenter: ***Dr. Tom Iseley, Ph.D, PE, Distinguished Member ASCE***, Purdue University Professor of Engineering Practice and the Beavers Heavy Construction Distinguished Fellow, Construction Engineering Management, ***Professor Emeritus. LA Tech University***

Cost: ***Free to ASCE & UESI members***

Date/Time: ***December 17, 2020 at 11:00 a.m. to 12:00 noon CDT***
